Requirements

Only passengers with automobiles (including vans) or motorcycles may travel on Auto Train®.

- Autos must have 4 in. (10 cm) ground clearance and must not exceed 65 in. (165 cm) in height. Autos exceeding height restrictions must reserve oversized vehicle space. Low ground restrictions, which include custom or low profile wheels, may be refused.
- A limited number of spaces are available to handle oversized vehicles; these must be specifically reserved in advance. Maximum height allowable for oversized vehicles is 85 in. (215 cm). Maximum width from outside edge of tire to outside edge of opposite tire is 84 in.
- A limited number of spaces are also available to carry small enclosed trailers, or trailers for transporting boats, jet skis, motor-cycles, etc. Call Amtrak® for details.
- We cannot carry vehicles with temporary luggage racks or bicycle racks, or with luggage packed or bicycles loaded on the roof. Empty factory-installed racks are acceptable if they are within the specified height limit.
- A limited number of spaces are also available to transport motorcycles. Only standard, two-wheel motorcycles can be accepted. All motorcycles must have at least 5 in. (13 cm) clearance between the lowest portion of the frame and the bottom of the tires. Motorcycles with windshields cannot exceed 57.5 in. (145 cm) in height. We cannot carry motorcycles with side cars. Passengers must assist in securing and removing their motorcycles.
- Animals are not allowed aboard Auto Train except for trained service animals accompanying passengers with disabilities. Animals are not allowed to remain in passengers' vehicles.

Enhance your Auto Train® travel experience with the new digEplayer.™
