Explore Chicago!

World-class theater, convention center, shopping, museums, park and more.

Before your connecting train departs on an east-west trip, take advantage of what this great city has to offer. See the famous Chicago Theater, opened in 1921 — the oldest surviving example of Neo-Baroque architecture in the city. Visit McCormick Place, the largest exposition complex in the U.S. Take in the Magnificent Mile, the Art Institute, and Millennium Park. These are just a few of the delights that await you outside the station. Ask an Amtrak representative at Union Station to point you in the right direction.
