NEW CONNECTIONS AVAILABLE TO AMTRAK NETWORK FROM SCRANTON & NORTHEAST PENNSYLVANIA Thruway Bus Service links travelers to Northeast Corridor, beyond

PHILADELPHIA – Residents of Scranton, Wilkes-Barre and White Haven, Pa. can now connect to Amtrak’s Northeast Corridor and the national passenger rail network via convenient and affordable Thruway Bus service to/from Philadelphia 30th Street Station, provided by Martz Trailways.

Daily bus trips between northeastern Pennsylvania and Philadelphia provide convenient connections to/from [Northeast Regional](#) and [Acela Express](#) trains serving Washington, Boston, Virginia cities and intermediate points. Connections can also be made to the *Keystone Service* and *Pennsylvanian* (Harrisburg, Lancaster, Pittsburgh) as well as [Crescent](#) (Atlanta, New Orleans), [Silver Star](#) (Orlando, Tampa, Miami) and [Capitol Limited](#) (Cleveland, Chicago) trains.

Amtrak Thruway connections enable passengers to utilize other carriers to connect with Amtrak trains from cities without Amtrak rail stations. All buses and Northeast Corridor trains are equipped with on-board wifi and electrical outlets.

Passengers can book bus and train tickets together at Amtrak.com or via the Amtrak mobile apps available for iPhone, Android and Windows devices.

About Amtrak®

Amtrak is America’s Railroad®, the nation’s intercity passenger rail service and its high-speed rail operator. Amtrak and its state and commuter partners move people, the economy and the nation forward. Formally known as the National Railroad Passenger Corporation, Amtrak is governed by a nine member board of directors appointed by the President of the United States and confirmed by the U.S. Senate. Anthony R. Coscia is board chairman and Jeffrey R. Moreland is vice chairman. In FY 2014, nearly 31 million passengers traveled on Amtrak on more than 300 daily trains – at speeds up to 150 mph (241 kph) – that connect 46 states, the District of Columbia and three Canadian Provinces. Enjoy the journey® at Amtrak.com or call 800-USA-RAIL for schedules, fares and more information.
