

# Frederick Douglass Tunnel

B&P TUNNEL REPLACEMENT

## Join us for a Public Open House

**Tuesday, June 14, 2022**

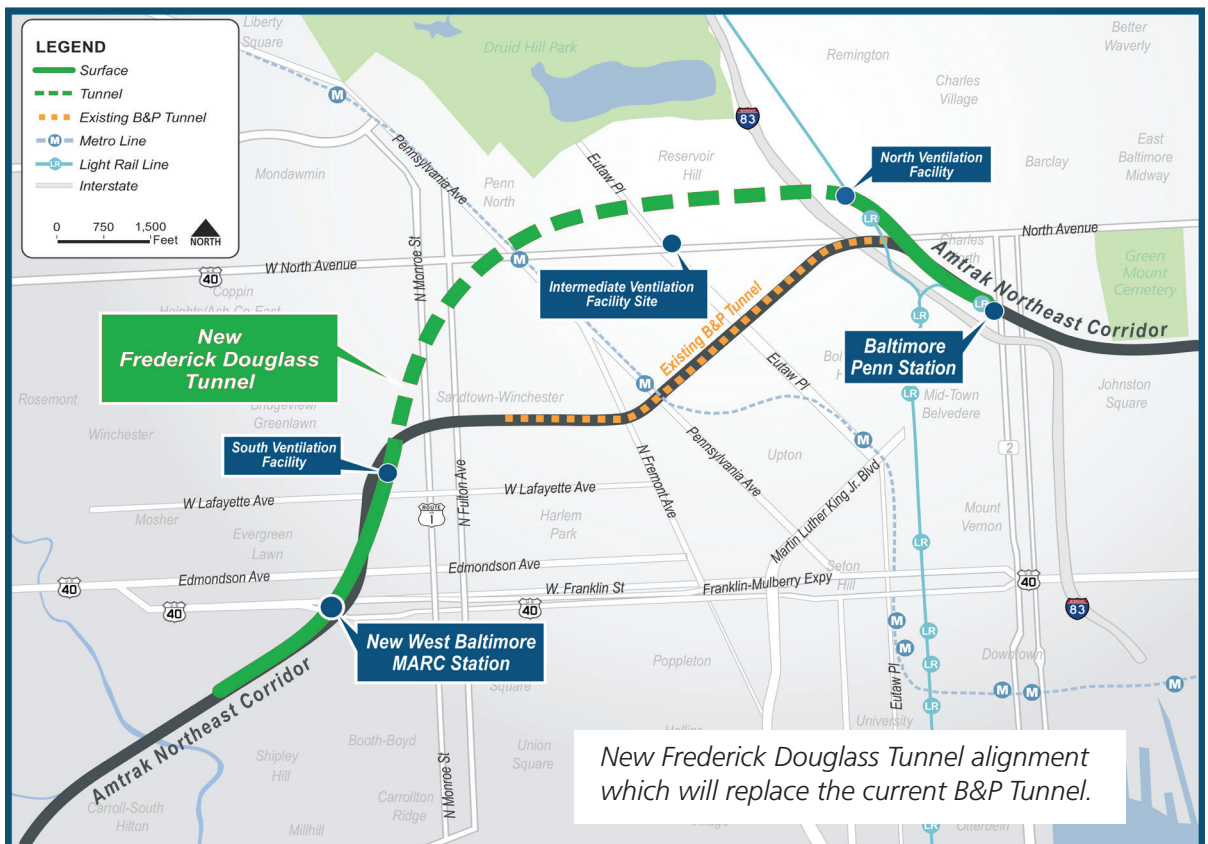

**6:00 PM**

at the New Song Academy 1530 Presstman Street, Baltimore, MD 21217

The B&P Tunnel Replacement Program will modernize and transform a four-mile section of Northeast Corridor. The Program includes replacing the current tunnel with two new high-capacity tubes for electrified passenger trains, constructing new roadway and railroad bridges, installing new rail systems and track, and building a new ADA-accessible West Baltimore MARC Station. At the open house you can:

- Get project information
- Meet the project team and ask questions
- Learn about the \$50 million Community Investments Program
- Provide feedback on the potential Community Investments using an interactive project map
- Get information on the West Baltimore MARC Station project

*If you require special accommodations under the Americans with Disabilities Act or require language translation services (free of charge), please call Nikia Mack at 443-423-1110, ext. 413.*
