

## Construction Notification

January 12, 2025

### Upcoming Activities

#### Temporary Water Line Installation

On or about January 20, 2025 crews will begin to install a temporary water line in preparation for utility relocations along W Lanvale Street, N Brice Street, N Pulaski Street. While we will maintain pedestrian access to homes during construction, there will be periods of time when the sidewalk may be closed.

Residents can also expect:

- Parking restrictions
- An increase of contractors in the area
- An increase of construction equipment, noise, and dust
- Please use caution when traveling through this area

*Please Note: At this time, no interruptions to water service are expected. If this should change, customers will be contacted.*

### Ongoing Activities

- Crews continue to conduct surveys, complete preconstruction inspections,

install instrumentation and monitoring devices, and complete utility investigations throughout the program area.

- Temporary water line installation is still under way along N Payson Street. Expect possible lane closures and an increase of contractors in the area.
- Crews will continue utility relocation work in the vicinity of Ducatel Street and North Ave. You will continue to see lane closures and sidewalk closures in the area as needed. Please use caution when traveling through the area.

**PLEASE NOTE:**

*Crews generally work Monday through Friday from 7:00am to 5:00pm, weather permitting. Construction activities are subject to change and modifications to the schedule may become necessary due to weather delays or other unforeseen conditions.*
