

Construction Notification

Week of October 14, 2024

Upcoming Activities

Test Pitting

On or about October 21, 2024 crews will be completing test pits (digging small holes through the pavement to **locate existing utilities**) in the area near the location for the Intermediate Ventilation Facility.

- Crews will generally be working Monday through Friday 9:00am to 3:00pm, weather permitting.
- Over the course of this work, there will be rolling lane closures along W. North Avenue, Eutaw Place, Ducatel Street, and Linden Avenue.
- There will be sidewalk closures on Ducatel St. and Eutaw Pl.
- Jordan Street will be closed from W. North Avenue for approximately 50 feet.
- During construction you may see an increase in traffic, construction noise, and dust.
- Please adhere to the posted no parking signs and use caution when traveling through this area.
