## EMERGENCY EXIT ROUTES

Follow instructions from Amtrak crew or first responders. Never exit a moving train.

NO EXIT ON  
CARS 1 & 9

### 1 Move to next train car.

Doors may be pried apart manually if power fails.

Stay onboard the train. Inside the train may be the safest location.

### 2 Exit through side doors.

1

Lift the emergency door cover up.

2

Pull red handle down to release door.

3

If needed, use emergency ladder located at the end of the train car.

### 3 Exit through emergency windows.

1

Locate emergency hammer storage to left of window. Pull off cover and remove hammer.

2

Strike red circle at top of window repeatedly until the 3 layers of glass fracture.

3

Place hands on film to push the 3 layers of glass out.

4

If needed, use emergency ladder located at the end of the train car.

When exiting the train, look for other trains, electrical wires and steep drops.

## GET-A-GRIP WHEN MOVING ABOUT

For your safety and stability, hold on to handrails, luggage racks, seat backs and tables.

## WATCH TRIPPING HAZARDS

Avoid tripping hazards by keeping all luggage and personal items out of aisles and vestibules. In an emergency leave luggage behind.

## WEAR SHOES WHEN WALKING ONBOARD

For your safety, refrain from walking barefoot or in socks in the train. Be cautious if you're wearing non-rubber sole shoes; they may cause slipping.

## WAIT IN CAR FOR TRAIN TO STOP

Do not stand in the vestibules until the train comes to a complete stop.

## SEE SOMETHING? SAY SOMETHING!

If you see suspicious behavior or activity, contact Amtrak Police at 800-331-0008, text 27311 (APD11) or call 911.

## IF YOU, OR A PASSENGER, NEED HELP

Attendant call buttons are located throughout the train.

## NO SMOKING

Smoking or vaping is prohibited anywhere onboard the trains, including the restrooms.

## ONBOARD EMERGENCY EQUIPMENT

Fire extinguisher, emergency tools, ladder and light sticks are located near the restrooms.

Look for yellow and red emergency signs throughout the train cars.
