State Snapshot

- Number of Stations: 11
- Number of Local Riders: 108,125
- Local Revenue: $9,925,365
- Number of Rail Passenger Miles: 52,572,320

Routes:
- Silver Service/Palmetto, Crescent

Kingstree, SC (KTR)
The current Amtrak stop in Kingstree was built around 1909 by the Atlantic Coast Line Railroad. The station has been renovated several times and currently houses the Williamsburg (County) Hometown Chamber Offices as well as the Amtrak waiting room. The station currently serves the Palmetto and Silver Meteor routes. In 2015, 13,849 passengers passed through the station and provided revenue valued at $1,210,105.

Amtrak's Effect on Tourism and Broader Economy

- Emission reductions from traveling by Amtrak trains vs. traveling by car: $141,000
- Cost savings from the lower risk of traveling by train vs. traveling by car: $2,038,000
- Tourist spending generated from Amtrak passengers: $524,000
- Number of tourists that utilize Amtrak services: 53,000
- Percent of total riders that are tourists: 49%
- Federal taxes generated for South Carolina from tourist spending: $30,000
- State taxes generated for South Carolina from tourist spending: $29,000
- Local taxes generated for South Carolina from tourist spending: $16,000

* Value Added - enhancement a company or business gives its product or service before providing it to customers (value of the final outputs from Amtrak minus the value of the inputs such as raw materials).

** Local riders are defined as riders that boarded or alighted an Amtrak train in the state. May include out of state passengers transferring trains in the state.

*** Rail Passenger Mile - passenger rail miles are determined by multiplying the total number of passengers by the total number of miles traveled.
South Carolina is served by 4 train routes—the Crescent, the Palmetto, the Silver Meteor, and the Silver Star—and 11 stations. The Crescent route takes passengers through Spartanburg, Greenville and Clemson. Charleston is the state’s busiest station, followed by Florence. All trains that serve the state run daily.

An estimated 82 percent of the population lives within 30 miles of an Amtrak rail or bus station. Among Amtrak riders in the state, 8 percent report that they would not have made the trip but for the availability of Amtrak service. The service provides important mobility and access needs for a number of residents. Moreover, the service is used by the full spectrum of income groups across the state’s population.

Amtrak purchased $19.3 million of goods and services from the South Carolina economy in FY15. Also, 56 South Carolina residents worked for the railroad, collectively earning over $4.8 million in wages and salaries.
