

Winter Park Express Passenger Information

Denver Union Station

Location & Parking

1701 Wynkoop Street, Denver, CO 80202

Short term and long-term parking are available for a fee near the station. Visit <https://parking.amtrak.com/> and search for Denver to see available parking locations.

Boarding in Denver

- The train departs from Track 5 at 7 am.
- Passengers should arrive 45 minutes before departure in order to load ski equipment. Loading will begin at 6:15 am. Follow the directions of car hosts on the platform.
- The last car of the train is for passengers who will stay overnight at the resort.
- There is no checked baggage service.
- Each passenger may carry on 2 pieces of luggage, plus one set of skis/poles or one snow board. No item may exceed 50 pounds. Please wrap or bundle skis and poles together.
- Each passenger must bring their own ski/snowboard equipment and other luggage to the train.
- Direction will be given at train-side to the car that shall be boarded. Skis, poles and snowboards will be loaded in the large carry-on baggage areas as directed by train staff.
- Snow suits, helmets, ski boots, parkas, etc. must be taken to passenger's seat. Other baggage may be stowed on lower level luggage racks, or the overhead rack above each seat.
- All ski equipment must be labeled with the passenger's name and phone number.
- Seats are unassigned. Train staff will assist in finding seats. Passengers returning to Denver the same day will have the same car and seat number as the trip up to Winter Park.
- Returning passengers may leave personal items on the train during the day. However, there is no access to the train until boarding for the return trip. Amtrak accepts no liability for any personal property left on board the train.
- No bicycles or pets are allowed on the Winter Park Express.

Winter Park Resort Platform

Location

85 Parsenn Road, Winter Park Colorado, 80482 (next to West Portal Station, the main retail building at the base of Winter Park Resort)
