Plan to Avoid the Rush
The busiest Thanksgiving travel periods are Tuesday, Wednesday and Sunday afternoons. If possible, avoid traveling on Wednesday and Sunday, as well as on Thursday morning. All services will be very crowded on those days. Other than on Thanksgiving Day, morning trains will not be as busy as those in the afternoon and evening.

Reserved Services Add to Your Comfort
All trains between Boston and Washington and between New York and Niagara Falls are reserved. Likewise, all trains operating between Springfield and New Haven are reserved. Keystone Service trains will also be all reserved service for the travel period November 19-26.

Consider “Holiday Extra” Trains
During the holiday week, Amtrak may use cars borrowed from commuter rail agencies to run “Holiday Extra” trains. (These trains are numbered 1054 and higher in the Thanksgiving timetable.) We recognize that some of the borrowed cars might not be what you expect from our Amtrak fleet. “Holiday Extra” trains will have fewer restrooms and may not offer food service.

Purchase Your Tickets in Advance
Avoid long lines at the station by making your reservation and purchasing tickets before your date of departure. Amtrak tickets are sold by most travel agents or in advance at many Northeast Corridor stations either at the ticket counter or by using the Quik-Trak™ kiosk. To skip the ticket line all together, make your reservations online at Amtrak.com, then receive an email containing your eTicket.

When customers make a reservation this way, they’ll receive a printable eTicket via e-mail. Customers using their smartphones or other mobile devices can present the eTicket to the conductor by simply opening the document from their e-mail or Amtrak app. A lost or misplaced eTicket can easily be reprinted. eTickets also can be printed at Amtrak ticket offices and Quik-Trak™ kiosks. Some customers, including those traveling on a group ticket or customers purchasing multi-ride tickets, will need to continue to receive conventional paper value tickets.

Speed-up your return journey by purchasing round-trip tickets. Please be sure you have the correct ticket for your travel itinerary.

Customers are required to produce acceptable identification when purchasing tickets or when checking bags. Acceptable forms of photo identification include a valid driver’s license, passport, government agency ID and other specific forms of identification. (Ask Amtrak for details.) Customers boarding at any station other than Washington, D.C., and Boston will be required to have a ticket before boarding the train; conductors will not sell tickets on board any train between Washington, D.C., and Boston. Customers purchasing tickets on board trains outside of the Washington-Boston corridor will be required to provide acceptable identification to the conductor.

Arrive at the Station Early
During the holiday, we recommend that you plan to arrive at the station at least 30 minutes before your scheduled train departure, and add another 30 minutes if you need to purchase tickets. Check video monitors and train information boards to determine the departure gate of your train. First class, Business class and Sleeping car customers are invited to relax and wait for their trains in the Amtrak Club/Club lounges in Boston, New York, Philadelphia and Washington.

Listen Carefully for Boarding Announcements
Be sure that the train you are boarding will stop at your destination. Extra trains added for the Thanksgiving holiday may not go to all stations. If you are in doubt, check with the conductor before you step onto the train.

Planning to Meet Someone?
Inform your party not only of your expected arrival time, but also the train number (in this timetable). Set a meeting place away from the immediate gate area, as the gate areas will be congested with customers going to and from the platforms.

Your Holiday Travel Planner
On Acela Express®, Northeast Regional®, Keystone Service® and Empire Service® trains, the heaviest travel days will be Wednesday, November 21 and Sunday, November 25. The highest customer volumes will be present in stations and aboard trains on those two days, and reduced Amtrak fares will generally not be available. Friday, November 23, is likely to be the least crowded travel day on trains and in stations. Keystone Service trains, which normally do not require reservations for travel between Philadelphia and Harrisburg, will require reservations November 19-26.

Safety Matters at Amtrak
While in the station or on board a train, please remember:
• Be aware of your surroundings.
• Keep your personal items secure and in close proximity. Laptop computers, PDA devices, portable music players, wallets, digital cameras, etc., are easy targets for pickpockets.
• Do not approach or pet police dogs.
• Report any suspicious activity or unattended luggage by notifying Amtrak Police at 1-800-331-0008 or call 911.

SEE SOMETHING? SAY SOMETHING!

Safety On Board
While on board any Amtrak train, please note the following for a safer and more enjoyable trip:
• Watch your step when boarding and leaving the train.
• Watch your step moving from car to car while the train is in motion.
• Be sure to step over the gap between the train and platform.
• Leave personal food items and baggage at your seat.
• Wear shoes at all times.
• Never attempt to board or exit a moving train.

Safety at the Station
While in any Amtrak station, please note the following for a safer more enjoyable trip:
• Arrive at least 30 minutes before your train is due to depart.
• Check-in early to arrange for pre-boarding if you need extra time or assistance.
• Watch your step on station stairs, escalators and train platforms.
• Please stand back from the edge of the platform.
• Help children when boarding and leaving the train.
• Use only Amtrak Red Caps to help you with your baggage.

The Thanksgiving holiday is the busiest travel period of the year. In Amtrak’s Northeast Corridor alone, we will serve more than 300,000 customers during the holiday week. On the two busiest days – Wednesday and Sunday – Northeast Corridor trains serve twice as many people as an average day. To meet your travel needs, we will operate every available car and schedule extra trains during this period. We will also add to our capacity by borrowing commuter train cars from other railroads to operate extra trains.

To make your Thanksgiving trip as smooth as possible, here are some holiday travel tips:
