THANKSGIVING Travel and Safety Tips

Amtrak is pleased to take you to your Thanksgiving destination. Please be assured we are doing everything we can to make your trip as pleasant as possible.

The Thanksgiving holiday is the busiest travel period of the year. Last year, Amtrak served more than 777,000 customers during the holiday week. The busiest day in our 46-year history was on the Sunday following Thanksgiving 2017, with more than 160,000 customers. To meet your travel needs, we will operate every available car and schedule extra trains during this period. We will also add to our capacity by borrowing commuter train cars from other railroads to operate extra trains.

Amtrak Midwest offers convenient and comfortable regional intercity service made possible through partnerships with Amtrak and including the Illinois Department of Transportation, Indiana Department of Transportation, Michigan Department of Transportation, Missouri Department of Transportation and Wisconsin Department of Transportation. Trains in these states are primarily powered by new, low-emissions locomotives with a Midwest-made diesel engine.

A 15-percent student discount specifically designed for Midwest travel has been introduced, pets are now welcomed on a fourth Illinois corridor and carry-on bicycle service has begun on a third Michigan corridor.

To make your Thanksgiving trip as smooth as possible, here are some holiday travel tips:

**Security Matters at Amtrak**

While in the station or on board a train, please remember:

- Be aware of your surroundings.
- Keep your personal items secure and in close proximity. Laptop computers, PDA devices, portable music players, wallets, digital cameras, etc., are easy targets for pickpockets.
- Do not approach or pet police dogs.
- Report any suspicious activity or unattended luggage by notifying Amtrak Police at 1-800-331-0008 or call 911.

**SEE SOMETHING? SAY SOMETHING!**

**Safety On Board**

While on board any Amtrak train, please note the following for a safer and more enjoyable trip:

- Watch your step when boarding and leaving the train.
- Watch your step moving from car to car while the train is in motion.
- Be sure to step over the gap between the train and platform.
- Leave personal food items and baggage at your seat.
- Wear shoes at all times.
- Never attempt to board or exit a moving train.

**Safety at the Station**

While in any Amtrak station, please note the following for a safer more enjoyable trip:

- Arrive at least 30 minutes before your train is due to depart.
- Check-in early to arrange for pre-boarding if you need extra time or assistance.
- Watch your step on station stairs, escalators and train platforms.
- Please stand back from the edge of the platform.
- Help children when boarding and leaving the train.
- Use only Amtrak Red Caps to help you with your baggage.

**Plan to Avoid the Rush**

The busiest Thanksgiving travel periods are Tuesday, Wednesday and Sunday afternoons. If possible, avoid traveling on Wednesday and Sunday, as well as on Thursday morning. All services will be very crowded on those days. Other than on Thanksgiving Day, morning trains will not be as busy as those in the afternoon and evening.

**Consider Holiday “Extra” Trains**

During the holiday week, Amtrak may use cars borrowed from commuter rail agencies to run “Extra” trains. These trains are offered on Lincoln Service®, Carl Sandburg® and Wolverine® routes. We recognize that some of the borrowed cars might not be what you expect from our Amtrak fleet. “Extra” trains will have fewer restrooms and may not offer food service.

**Purchase Your Tickets in Advance**

Avoid long lines at the station by making your reservation and purchasing tickets before your date of departure. Amtrak tickets are sold by most travel agents or in advance at many Midwest stations either at the ticket counter or by using the Quik-Trak™ kiosk. To skip the ticket line all together, make your reservations online at Amtrak.com, then receive an email containing your eTicket.

When customers make a reservation this way, they’ll receive a printable eTicket via e-mail. Customers using their smartphones or other mobile devices can present the eTicket to the conductor by simply opening the document from their e-mail or Amtrak app. A lost or misplaced eTicket can easily be reprinted. eTickets also can be printed at Amtrak ticket offices and Quik-Trak™ kiosks. Some customers, including those traveling on a group ticket or customers purchasing multi-ride tickets, will need to continue to receive conventional paper value tickets.

Speed-up your return journey by purchasing round-trip tickets. Please be sure you have the correct ticket for your travel itinerary.

**Arrive at the Station Early**

During the holiday, we recommend that you plan to arrive at the station at least 30 minutes before your scheduled train departure, and add another 30 minutes if you need to purchase tickets. Check video monitors and train information boards to determine the departure gate of your train. Sleeping car and Business class customers are invited to relax and wait for their trains in the Amtrak Metropolitan Lounge in Chicago.

**Listen Carefully for Boarding Announcements**

Be sure that the train you are boarding will stop at your destination. Extra trains added for the Thanksgiving holiday may not go to all stations. If you are in doubt, check with the conductor before you step onto the train.

**Planning to Meet Someone?**

Inform your party not only of your expected arrival time, but also the train number (in this timetable). Set a meeting place away from the immediate gate area, as the gate areas will be congested with customers going to and from the platforms.

**Your Holiday Travel Planner**

Amtrak will add extra Amtrak MidwestSM trains for the Thanksgiving season, shown in brown on the next few pages, with our state partners in Illinois and Michigan. We will deploy all available railcars in those states and also in partnership with Indiana, Missouri and Wisconsin. See map on page 4.

Reservations will be required on all Hiawatha® Service trains between Chicago and Milwaukee again this Thanksgiving season. Amtrak Monthly and Ten-Ride ticket-holders are exempt from reservation requirements, but seating is not guaranteed.

Please check your boarding documents carefully.
